Adamis Pharmaceuticals Corporation (the “Registrant” or the “Company”) is filing this Notification of Late Filing on Form 12b-25 with respect to its Quarterly Report on Form 10-Q for the three-month and six-month periods ended June 30, 2020 (the “Form 10-Q”). As previously reported, on June 18, 2020, the audit committee of the board of directors of the Company dismissed the Company’s former independent registered public accounting firm and retained a new independent registered public accounting firm. The Company requires additional time to gather information, and prepare, analyze and review certain information relating to the presentation of financial information and relating to matters occurring during the period covered by the Form 10-Q, and to complete its preparation and review of its financial statements and other disclosures in the Form 10-Q, which could not be completed by the date required without incurring unreasonable effort and expense. The Company anticipates that it will file its Form 10-Q as soon as reasonably possible and within the 5-day grace period provided by Rule 12b-25 of the Securities Exchange Act of 1934, as amended.
