Adamis Pharmaceuticals Corporation (the “Registrant” or the “Company”) is filing this Notification of Late Filing on Form 12b-25 with respect to its Annual Report on Form 10-K for the fiscal year ended December 31, 2020 (the “Form 10-K”) because it needs additional time to prepare and review certain information and complete its review of its financial statements and other disclosures in the Form 10-K, including without limitation regarding matters relating to warrant liability expense and change in fair value of warrants and the assessment of the impairment of its goodwill and indefinite-lived intangible assets, and the audit procedures related to the foregoing, which could not be completed by the date required without incurring unreasonable effort and expense. The Company anticipates that it will file its Form 10-K as soon as reasonably possible and within the 15-day grace period provided by Rule 12b-25 of the Securities Exchange Act of 1934, as amended.

Forward-Looking Statements

This filing contains a number of forward-looking statements. Words such as “expect,” “will,” “working,” and variations of such words and similar future or conditional expressions are intended to identify forward-looking statements. These forward-looking statements are not guarantees of future results and are subject to a number of risks and uncertainties, many of which are difficult to predict and beyond our control. Important factors that may cause actual results to differ materially from those in the forward-looking statements include, but are not limited to, a delay in the Company’s financial reporting, including the possibility that the Company will not be able to file its Form 10-K within the fifteen-day extension permitted by the rules of the U.S. Securities and Exchange Commission. We disclaim and do not undertake any obligation to update or revise any forward-looking statement in this report, except as required by applicable law or regulation.
